3) What if I can't afford studio pictures or don't have time to get one?

Geskus Photography takes photos during registration. The yearbook gets a copy of your Geskus photo even if you don't purchase copies for yourself. Just make sure to dress nicely and we will do the rest!

Note: ID pictures taken by office staff can not be used in the yearbook.

4) I'm not sure if I have enough credits to graduate. Will my picture be used?

Anyone who does not have enough senior credits at the beginning of the school year will not be included in the senior section of the yearbook.

5) What about digital pictures?

We can use digital pictures that meet the requirements listed in #2 above. Digital pictures also need to be high resolution and burned onto a CD-ROM. We will not accept digital printouts.

We reserve the right to decline any photo of poor resolution or compositional quality.
