

# Curious Kindergartners

Mrs. Jones – Room 8 – (494-2769)  
Week of October 31, 2011

## Monday

Oct. 31

**Art with Mrs. Kingsley!**

We celebrated "Pumpkin Day!" We looked at the inside of a pumpkin and saw the "meat" and "seeds." We decorated a cupcake to look like a Jack-o-lantern.

Ask your child what happened to our pumpkin when we put it in a tub of water.

## Tuesday

Nov. 1

**Music with Mr. DeBoer!**

We reviewed the letter "C" with the help of our ZooPhonics friend Catina Cat. Ask your child to show you the sign and sound for this letter.

## Wednesday

Nov. 2

**Gym with Mrs. Ricketts – PLEASE WEAR TENNIS SHOES ON WEDNESDAY!!!**

We compared numbers using the words "more," "most" and "fewer."

We put the "a" with the letter "t" and came up with "at." We then made words from the "-at" family.

## Thursday

Nov. 3

**Spanish with Mrs. Strickfaden!**

**Library Books due!**

In math we learned that numbers can be written in order. We used words like "1 more" and "order."

In science we talked about smells we like and smells we don't like. We made a graph of our favorite smells.
