Our **goals** are to provide a safe, encouraging and positive Christian environment for children, adolescents and their families in our community, while providing resources for a more hopeful future.

At South Shore Youth Impact we hope that young and old can come to Jesus as God's children and learn that, through healthy relationships with God and others, they can live joy-filled, meaningful and purposed lives.

We are committed to make a positive impact in the lives of kids and teens, provide a safe place for kids and teens to have a good time and teach them Christian faith and values to help them make good choices for their lives.

Due to the COVID-19 Quarantine, we have helped more than 27 families with food donations that we receive from our sponsor, Christ Memorial Church.

Despite the circumstances, God continues to send provision to care for our community!

Appreciation Letter

In the past year it has been an honor to serve the community, churches and non-profit organizations. The Covid 19 pandemic has been a strain on all of us!

South Shore Youth Impact has been called to love, serve and build those in our community! It is very comforting to see smiles on faces of families after they have visited Amor 'N More, as they go home with totally free items! There is joy for the children and youth in SF4K (Summer Fun for Kids) and Prep as they grow spiritually- getting ready for their future. Many of the women who attend Feminine are getting to know their strengths. They have found a new family and they can be fully open with us. God's love can change hearts and set people free from pain.

I want to thank God, the team and volunteers who make this ministry possible. They are a blessing to my life and to this ministry!

I want to thank our donors and prayer supporters! Only God can change hearts and lives. None of this would be possible without YOU!

Warm regards,
Vionelkis Coen Fonseca
