Kindergarten teachers tell us: When a child is curious, asks questions, is able to wait their turn and is comfortable in a classroom environment, it helps with being **ready to learn**.

This **Kindergarten Readiness Camp**, created by Ready for School and delivered by teachers, combines the routines of a typical school day with outdoor exploration to build the academic and social-emotional skills that kindergarten teachers want to see in their students.

Your child will reach kindergarten more confident, curious, and socially ready.

Breakfast and lunch provided daily. Transportation support available. Priority given to children who live in the Holland, Zeeland or Hamilton school district who have had little-to-no preschool.

Ready for School provides partial to full scholarships to applicants who qualify.

Los maestros de kindergarten nos dicen: Cuando un niño tiene curiosidad, hace preguntas, puede esperar su turno y está cómodo en el ambiente escolar, eso ayuda a estar **listo para aprender**.

Este **campamento de preparación para kindergarten**, creado por Ready for School y enseñado por los maestros, combina las típicas rutinas de un día escolar con exploración al aire libre para aprender las habilidades académicas y socioemocionales que los maestros de kindergarten desean ver en sus alumnos.

Su hijo/a llegará al kindergarten más seguro/a, curioso/a y socialmente listo/a.

Desayuno y almuerzo a diario. Ayuda de transporte disponible. Se da prioridad a los niños que viven en los distritos escolares de Holland, Zeeland o Hamilton y que han tenido poca o ninguna educación preescolar. Ready for School ofrece becas parciales a completas para los solicitantes que califican.
