

Celebrations!

- Thank you to all of the families at Holland High School for your continued support in following the COVID protocols. Students are remembering to wear their masks to school and following social distancing requirements. This is a team effort and we appreciate your support!

Positive Behavior Intervention and Support Team (PBIS)

What we do:

- Twice a month the PBIS team meets to review behavior data and implement school-wide initiatives to teach and reinforce positive behavior. This is a great way to make a positive impact in our school!

Who we are:

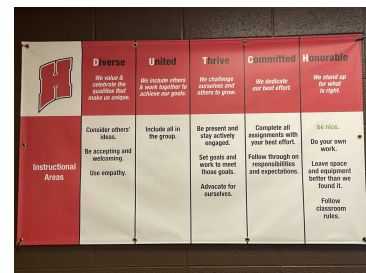

- The current PBIS team is made up of administrators, social workers, and teachers that meet twice a month. Due to our safety procedures, our meetings are held virtually this year.
- We are looking for student and parent volunteers to join our team!

PBIS Around the Building

Here are some of the projects our PBIS team has put together over the past two years.

- Updating the DUTCH Matrix
- Honor Roll Ice Cream Social
- Donuts and Cider COVID protocol recognition
- Organize Parent, Student, Staff Survey

Parent/Guardian Volunteers

We are currently looking for parent/guardian volunteers to join the PBIS team at Holland High School. We hold a virtual meeting bi-weekly on Wednesdays at 11:35-12:05. If you are interested in joining the PBIS team please fill out this Google Form and one of our PBIS members will reach out to you!
