

Celebrations!

- Shout out to the girls basketball team. They have shown dedication and commitment to their education and love of the game by leading virtual study sessions and virtual workouts.
- During our first week of remote learning as an entire district, we had 94.6% of our students participate in remote learning!

The ABCs of Virtual Learning Etiquette

A is for arrive on time

- Just like during face to face instruction it is important to arrive to class on time. This will help ensure that you do not miss instruction or group discussion!

B is for be engaged

- You can show that you are engaged in learning by:
 - Keeping your camera on (*follow this link to see how to change your background in google meet*).
 - Take notes during instruction
 - Turn in your homework . Don't forget to hit that submit assignment button in Google Classroom!

C is for courtesy

- be courteous within the learning environment by:
 - keeping your mic muted when you are not speaking
 - use respectful language
 - continue to follow the school dress code.
