

LET'S TALK FAFSA

Hello Hello! As seniors prepare to graduate, we are ready to assist in their next steps. As part of the college going process, filling out the Free Application for Federal Student Aid (FAFSA) is crucial for your senior to obtain all of the financial aid they are entitled to. our goal is to make college accessible and affordable!

TIPS AND TRICKS:

Deadline for FAFSA:
May 1st, 2023

FAFSA must be completed to receive any financial aid.

You need to create an account (FSAiD) to fill out the FAFSA

FAFSA collects financial information from student and family to determine your need.

Students should never use their school email. They lose access to this after they graduate.

IRS DATA RETRIEVAL TOOL:

The IRS can be linked to your FAFSA, which can then upload your 2021 tax/financial information onto FAFSA. This makes the process a lot easier, and reduces the need to scavenge for those tax documents!
