AED Drill #1
AED Drill #2

Person conducting the drill if other than Principal

Print: A. WASER

Signature: A. WASER

Verification
Principal/Designee signature: A. WASER

* A student was highly escalated in the hallway and required the intervention of several staff members and over an hour's worth of time to become de-escalated. It was not deemed safe to have other students in the hallway, which was a main exit route. Additionally, the area of concern moved where the student relocated to another hallway. Drill was postponed and executed at 11:20 a.m. instead of 10:00 a.m.
