

## Project: Research Paper: Develop Your Own Topic

- Compare and contrast the treatment of common theme in:
  - two or more works by the same author;
  - works by two or more authors; or
  - works in two or more genres.
  - (For all of these choices, use one work that you read in this unit and at least one other that you find on your own.)

Pick two stories or poems that both have the same theme.

### Introduction:

Give the titles, authors and brief summary of each piece.

Thesis: Both stories/poems develop the theme of \_\_\_\_\_.

### Body Paragraphs:

#1 \_\_\_\_\_ develops the theme (through the conflict, characters, plot...).  
Give examples from the story/poem that show how this theme was developed/taught in this piece.

#2 \_\_\_\_\_ develops the theme (through the conflict, characters, plot...).  
Give examples from the story/poem that show how this theme was developed/taught in this piece.

### Conclusion

Explain how you can use the lessons from this theme/these pieces in your life.
